

Congratulations! You are now Trust Edge Certified. It is time to share the news!

Here are instructions and ideas on how you can use the badges:

- ❑ Download the Trust Edge Certified Badges you received via email.
- ❑ Add Trust Edge Certified as a certification on your LinkedIn profile.
 - Click the **Me** icon at the top of your LinkedIn homepage.
 - Click **View profile**.
 - If you've previously added a certificate, scroll down to the **Licenses and Certifications** section and click **Add**.
 - If you've never added a certification, you'll first want to add a **Licenses and Certifications** section in the right rail, select **Background**, and click the **Add** icon next to **Licenses and Certifications**.
 - Type in your certification information.
 - A menu displaying companies will appear as you type in the **Issuing Organization** field. Be sure to type Trust Edge Leadership Institute so the logo appears next to the certification on your profile.
 - Click **save**.
 - You can also select **Add profile section** and select **Featured**.
 - Select the "+" icon.
 - **Add** your selected badge image along with a description.
 - Click **save**.
- ❑ Add it to your coaching website.
 - Another credential to add to your toll belt!
- ❑ Add it to your resume.
 - Let prospective clients and employers know what experience and expertise you offer.
- ❑ Add it as an email signature.
 - Use this emblem as an email signature so that your customers know you are a Trust Edge Partner!
- ❑ Share it on social media – Let your people know about your new certification!
 - "I am officially a Trust Edge Certified Partner! With the Trust Edge material, I can help you build a culture of trust and solve top challenges using trust."
